Perfect

Huge selection from the Beatles catalogue and all tunes are easy to moderate to play. So far I've been enjoying this book.

It was packaged really well and I am enjoying playing all of the great songs out of it. Thank you so much.

Trombones are awesome. Play legendary music and feel it come alive with these easy to play pieces. Great music scores will whisk you back to a better era. 92 songs in all.

This book made a great gift for my partner's father who plays the trombone. He loved it and the music was awesome!!

I am relearning my trombone skills. This collection is beyond where I am right now, but I will catch up.

Excellent book! My little second year Trombonist now has some great material to play that's far better than just the rudimentary stuff they're teaching in school! It essentially has him playing the melody (lyric) to the songs!

Was disappointed it didn't have the lyrics.
