Good guide. It allows us to review and learn more about our visit to St. Petersburg.

"+": Eyewitness guides are always very comprehensible, easy to use and highly visually appealing. The St Petersburg volume is not an exception in these regards."-": Authors could have included a lot more information about St Petersburg. Just a few central districts of the city are discussed (leaving out soooo much interesting places in St Petersburg), which makes this book a good companion for

a weekend trip to St Petersburg but a poor assistant in planning a longer vacation.

This was a great and informative guide for St. Petersburg.
