Wolf Whistle Politics: The New Misogyny In America Today

Synopsis

The 2016 election year may be remembered as a year to forget, but for American women in politics and feminists alike it was unforgettably distressing. It was a flash point illuminating both the true state of play for women in public life and feminist politics in the early twenty-first century. *Wolf Whistle Politics* is a book that tries to account for, contextualize, and even make some sense out of this trying political chapter in American history. With an introduction by Naomi Wolf and pieces by leading journalists and essayists ranging from Lindy West's "Donald and Billy on the Bus" to Amy Davidson's "What Wendy Davis Stood For" and Rhon Manigault-Bryant's "Open Letter to White, Liberal Feminists," this collection comprises the best political reporting and socio-historical analysis on everything from the contentious meaning of a potential first female president to the misogynist overtones of Hillary Rodham Clinton's electoral defeat by Donald Trump; from rape culture to reproductive rights; Pantsuit Nation to poor women of color; media double standards to hashtag activism. Together these pieces form a constellation aptly symbolized by the lascivious "wolf whistle," a demeaning, sexually loaded catcall which, unlike the racial "dog whistle," has nothing subtle or covert about it. *Wolf Whistle Politics* shines a bright light on the complex relationship between women and politics today, reflecting on what we lost, what we won, and what we can do to move forward.

Book Information

Paperback: 192 pages

Publisher: The New Press (May 23, 2017)

Language: English

ISBN-10: 1620973529

ISBN-13: 978-1620973523

Product Dimensions: 0.5 x 5.2 x 8 inches
