We Saved You A Seat - Bible Study Book: Finding And Keeping Lasting Friendships

Synopsis

“How are you?” “Fine.” In today’s busy world, we’re wired to appear “fine,” warding off authenticity and shielding ourselves from judgment. We hide behind the hum of busyness to escape intimate friendships with the women God has placed in our lives. But we do want a seat at the table. We yearn for authentic relationships and the opportunity to be the opposite of “fine” with people who cheer for us. But comparison, envy, and entitlement often stop us from pulling out a chair at the table. Friendship can be hard, making new friends even harder, and maintaining genuine friendship the hardest of all. In this 7-session Bible study, Lisa-Jo Baker and friends from (in)courage explore our relationship with Jesus as the ultimate model for authentic friendship. Nothing shapes us like the impact of a friend—it’s how Jesus radically and intimately connects with us. So instead of chasing perfection, overcome your fear of being known and find the courage to connect.

This has been a good bible study to participate in with my teens. Adult and teen version are compatible in structure and wording.

Loved this bible study. Completed the study with my daughter and granddaughters. We all loved it

Thanks. Can't wait to start this in our bible study.

Helpful, inspiring and challenging. This bible study is thorough and generous. If you've ever struggled with friendships and community, this is a welcome tool to help you discover deeper biblical truths about relationships and the hope of Jesus in the midst of your challenges with friendship.

The women in the book are a complete joy but the study has totally missed the mark! It is geared towards women maybe 18-25 years old. It is written about very immature "struggles" and in a Woman's Bible study of about 17 women no one can relate to the topics week after week. It also lacks bible teaching. Each week we are trying as hard as can be to dig into our hearts to find the true meaning of the lesson that week.

Excellent book!

Awesome study!!! This has been WONDERFUL!!!
