The Cat That God Sent

Synopsis

Jake Wilkerson, a disillusioned young pastor who is an expert at hiding his fears, takes on a new assignment at a small rural church in Coudersport, Pennsylvania. It's a far piece from anywhere and full of curiously odd and eccentric people, including Emma Grainger, a single woman and a veterinarian who dismisses all Christians as "those people," and Tassy, a young runaway with a secret. His first day on the job, however, Jake is adopted by Petey - a cat of unknown origins and breed - but of great perception. Petey believes that he is on a mission from God to redeem Jake and bring him and his quirky friends back to the truth.

Customer Reviews

I enjoyed this book, it was cute. I have sometimes wondered what our pets are thinking about us and saying things to them selves. I was a very fast read for me and if anyone needs to smile and read fast -----this is the book.

I loved this book...it just really touched my heart. I know that God can use whomever or whatever He needs, to help someone, and this little book brings that message home so clearly. I really liked how honest the author made Jake; he was "deceptive" to others for a time, but brutally honest with us, the reader; and eventually, to his people. That's what made the difference. And it made a HUGE difference. Hatred didn't win; vengeance didn't win; regret didn't win; jealousy didn't win. Love won. And Petey the kitty played a big and important role in all of it.

I very much enjoyed the dog story by this author. I tried to give equal time to the cat tale. Since I am a dog owner it is more of a stretch to understand the doings of a cat. It is a fun read in any case.

Cute story but I was disappointed in the ending, which kind of fizzled out, then went to "discussion questions." I didn't realize it was a book for teaching when I ordered it. Oh well, lesson learned--read descriptions fully.

Great story. Since we are cat people we delighted in the story and the dialog between the cat and God and the humans in the story. I bought this for my husband to read, hoping he would enjoy it and he Did!

I loved this book. At first, I downloaded the book because the title reminded me of how I feel about my current best buddy who happens to be a cat. This story was very entertaining and more thought provoking than the title implies. I really enjoyed reading about Petey and the pastor. They were a great team in reaching the people in the pastor's church and his town. This is one of those books that will have you smiling while you read the story.

A very inciteful story! I truly believe that God sends us special animals to teach us to listen, to guide us, and to teach us how to be better human beings!

The book was great! Not easy to believe with everything that is going around us but stay true to God and he will hold you in his arms forever.
