Do Not Disturb: An Erotica Collection

Synopsis

Discreet liaisons and steamy connections in hotel rooms: ten original erotica stories from Mischief, featuring Rachel Kramer Bussell, Flora Dain, Elizabeth Coldwell, Tabitha Kitten, Rose de Fer and many more. The evening with Mr Alpha in a luxury suite is already intense, but when the hot barman from downstairs is also invited to the private party, the passion enters unchartered territory. The idea of reviving a spark of romance at an ice hotel, might seem like an instant freeze for a jaded wife, but the thawing power of an unusual and exotic location cannot be underestimated. Farrahâ™s trip to a swish Honolulu hotel becomes a journey filled with gift-wrapped surprises that come with a single instruction: Use Only With Me

Customer Reviews

A wonderful collection of 10 short stories by different authors. They are well written and well edited so they are a joy to read. As with any anthology, there are some stories that are more interesting than others, but there is undoubtedly a story to satisfy whatever your kink is, since every type of sex is covered, some rather cleverly twisted.

I have enjoyed almost every story in this collection. There were a few that were still "good" but harder for me to relate to. This is the only reason it is a 4 and not a 5 star. If you are easily aroused, make sure you can escape to a quiet place when reading!

Nice variety of stories. Quick read. Well-edited.

This sizzling collection from Mischief Books is hot, steamy and well disturbing Ã¢Â“ so slightly mis-named! There are edgy and original liaisons (Flora Dain and Kathleen Tudor), a mystery encounter (Jason Rubis), exotic locations (Louise Hooker and Rachel Kramer Bussel), torrid trysts (Willow Sears, CÃ“sar Sanchez Zapata), a hook-up with a stranger (Tabitha Kitten) and even cheeky peeks behind the smiles of the staff (Rose de Fer and Elizabeth Coldwell Ã¢Â“warning Ã¢Â“ be polite or youÃ¢Âll become a villainous vampire!). New media come into play with text fun, Skype and an internet date plus traditional turn-ons - black stockings and bedposts, anyone? If youÃ¢Âre booking into a hotel soon these stories are a must - youÃ¢Âll find plenty of exciting ways to spice up your stay whether youÃ¢Âre with a partner, meeting a friend or going solo. And if all that fails just lie back and read - youÃ¢Âll still have fun!

This book is one of those few that you read once and then wait for a cold night and read it again. I always love the books with several short stories by various authors because readers get a chance to experience new authors and we also get more for our buck (a definite plus). When the collection of stories is TEN stories of sensual Erotica, you know you are in for a smoldering hot read or two. You can't go wrong with this book, and you WILL NOT be disappointed. This book exceeded my steamy expectations with some of the hottest reads from authors who know how to write erotica. It is hard to pick a favorite because all of the books were well written and I really liked most of the books. I cannot recommend this book enough to Erotica/ Romance lovers.
