This book breaks down a load of decades of experience in Chiropractic practice in a entertaining and useful easy read. Every page seems to have thousands of dollars in value! To be blunt, if you're in practice (whether you're winning or not), I can't imagine a better way to invest \$20 and a few hours of your time!

Great info for growing your practice. Worth the read. Buy it.

I am a Life graduate DC with over 28 years of experience in a wonderful practice; however, over the past 5 years, while surviving life's difficulties which all of us face at one time or another, I found my practice had become stale and lackluster. I had been searching over the past year for answers to my practice woes and came across some expert marketing ideas, but knew that a lot of new patients would be a disaster in an office that was not run efficiently. I was successful in others eyes, but silently knew that I was complacent, bored & tired of training staff. I was on the verge of losing my lasting purpose, that is until I was given Dr. Lloyd's book as a gift. I was awestruck! It was crazy great! Never have I seen any super successful DC share every intimate detail of how he achieved it. It provided me with much needed affirmations of things I've done right, great practice procedures I used to do but nearly stopped and solved every internal problem that was holding me back from the practice of my dreams. Dr. Lloyd's charm and keen sense of humor shines through in his writing. This book is well written, logical and easily absorbed. If you are looking to restore or begin the practice of your dreams that is streamlined, busy, fun, while treating as many patients as your heart desires while being financially rewarded and take dream vacations, this is the book for you! I just purchased several for my DC friends for Christmas! Ho! Ho! Ho! Here's to being Po No Mo!
