Insight Guides brand new pocket guide series

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

Perfect - thank you!

Nice photos and nice lists for things to do. However, not very thorough on hotels to stay at and the prices. If this guide is used along with another guide that has more info on hotels, then you'll have a good overview of Malaysia. The back page has a good map of KL and a map of the transit system which are helpful.
