Llama Llama Home With Mama

Synopsis

Llama Llama, morning light. Feeling yucky, just not right. Down to breakfast. Tiny sneeze. Sniffle, snuffle. Tissues, please! Ah-choo! Uh-oh, Llama Llama's nose is feeling tickly, his throat is feeling scratchy, and his head is feeling stuffy. Back to bed, no school today for Llama Llama! Instead, he's home with Mama. By lunchtime, though, he's beginning to feel a tiny bit better. But now someone else has the sneezes . . . Mama! And who will help her feel better? Why, Llama Llama, of course! Anna Dewdney's fun-to-read rhymes are sure to help children and their parents get through those under-the-weather days.

Best Books of the Month, August 2011 : Llama Llama is feeling crummy, sneezing, achy, head all stuffy. No school today for Llama, he's sick at home in his red pajamas. As the day wears on and Llama starts feeling better, boredom sets in--along with Mama Llama's coughs and sneezes. Llama Llama knows just what to do, bringing Mama tissues, a fluffy pillow, and books to read. Anna Dewdney's latest is a welcome addition to her bestselling Llama Llama picture book repertoire, perfectly capturing the challenges of a little one home sick from school and the big

dose of love that makes the best medicine. --Seira Wilson

"Dewdney's artwork is the ideal foil to her rhyming verses--her characters' bleary, sick expressions alone are sure to elicit giggles and knowing smiles." • Kirkus Reviews, July 15, 2011 "Llama is sick with a sore throat, and children who have to take 'yucky' medicine will relate to how he feels ... The story has wonderful rhyming phrases and large, colorful illustrations full of priceless facial expressions and body language." • School Library Journal, August 2011

Who doesn't love Llama Llama! We are avid readers and love Anna Dewdney books and this one does not disappoint!

My son loves all Llama Llama books. Initially I got 'missed mama' one when he first started his daycare, and loved it so much that I ordered more Llama Llama books. Now we read them every night before bedtime

This book, along with 3 other Llama Llama Mama books, helped improve on a gift to my blessed cousin's 9-month-old son. My cousin is a teacher so we both know how important reading is to children from a young age. My collection of books is very personal to the parents & to my second cousin. They show my love with more than just words

My daughters and I were SO excited to see another Llama llama books come out! We own them ALL and love each and every one of them. This one did not disappoint us. I started the collection when my oldest was 3 and now she is 6 and her little sis is 3 and they both still really enjoy listening to them. My 6 yr old LOVED the pictures, I'm not sure what other people were talking about it being dull and boring, I'm very impressed the author can come up with so many cute rhymes! Its a cute way to show kids what happens when you have to stay at home and are sick, how mothers take care of you, and how sweet it can be if you take care of your mama when she gets it after you ;) I highly recommend all of these books. They are cute, flow nicely, very easy to read, and love to hear my 6 yr old read them to her little sister. Hope there are more to come!

WE LOVE Llama Llama! So cute - can't wait to get all the other ones. That Llama llama is such a sweetie, and will remind you of some kids you know! We often end up reading Llama Llama books after we read others - so they get read the most along with Dr. Seuss books. They rhyming really

makes it fun for our little one.

My three year old LOVE the llama llama books, so naturally we own every one of them. I purchased this one for her for Christmas. Overall, the books are a great buy with good themes that are relevant to young children. The illustrations are very well done and the stories flow well. While my daughter LOVED this book (stress LOVE), I thought it wasn't quite as well done as the other ones in the series. The prose seems very thin at times like the author couldn't quite find the right rhyming words. Keep in mind that I'm being very picky, having to read this book at least twice a week. The occasional reader probably wouldn't notice any issues. Despite my one found flaw, I would recommend this book to parents and children. It's a fun read that you'll both enjoy.

BOUGHT 6 OF THESE HARDCOVER BOOKS FOR MY GRANDAUGHTER FOR XMAS. ALL 6 DIFFERENT STORIES FOCUS ON THE IRRITATIONS OF DAILY LIFE FOR THE POOR YOUNG LLAMA. EASY TO UNDERSTAND STORYLINE FOR ANY 18 MONTH OLD OR OLDER. THE ILLUSTRATIONS IN THE BOOK ARE ALSO VERY EXPRESSIVE. YOU WILL REALLY ENJOY READING THESE BOOKS TO THE KIDS..

Great product. Thank you!
