# Glitter Fantasy Butterflies Stickers (Dover Little Activity Books Stickers)

## Synopsis

Which butterfly is the prettiest of all – Monarch, Buckeye, Swallowtail, Painted Lady? None of the above! The most beautiful species just might be these fantasy flyers, featuring wings with abstract shapes and more colors than Mother Nature has in her paint box. Plus, each is sprinkled with glitter so these butterflies really shine. A nice embellishment for kids' cards, posters, and notepads.Â

## Customer Reviews

Cute stickers.

There are only a few stickers (two small pages worth - about 16 stickers total), but they are very good quality and visually appealing. I bought them for an adult friend's Christmas stocking. They would be a good gift for a scrapbooker, butterfly-lover, or child. Additionally, the shipping for this item was incredibly quick - arrived almost a week BEFORE the "estimated delivery date" (arrived approximately a week after the payment was sent). Very satisfied with this product as well as the shipping time.

I'm always impressed with Dover's products so I wasn't at all surprised to be delighted with this little booklet of butterflies.

Gorgeous!

Just wish there were more in the folder!

Awesome stickers however, you do need to use additional glue however, for the beauty, and price, it's still very well worth the purchase....

VERY NICE! BEAUTIFUL COLORS.

It's a small booklet, with plenty of stickers for the price, and the stickers are great! Very glittery.
