Customer Reviews

"A classic in children's literature for nearly half a century, The Berenstain Bears are back with four all-new books that teach children how God wants them to live. These picture books focus on doing the right thing, saying prayers and going to Sunday school-all through the silly antics and delightful humor of the bear family." (Focus on the Family Clubhouse Jr) "Fans of the series will feel right at home with the familiar story structure and cheery illustrations." (Kirkus Reviews) "Preschoolers will love exploring classic Bear Country with the familiar Berenstain Bears in their newly released faith-based series." (Children's Ministry) "Michael's enthusiasm about his work is contagious. He is not only committed to creating sound, edifying instructional literature for young children, but he is energized by his continuing opportunity to challenge children and their parents to think seriously about

significant life issues and practices such as giving thanks, loving near-and-far neighbors, applying the rules of good sportsmanship and nurturing relationships with each other and with God. (Homecoming) (Homelife)

The Berenstain Bear series helps children learn how God wants them to live every day. When the Bear family practices going to church, praying, and being kind, plus remembering how much God loves them, their lives are much more joyful. In God Loves You! Brother and Sister Bear discover that God loves them, not because they're successful, but because he made them. This book helps children appreciate the many ways God shows his love to them.

glad someone is writing children's books with such good & positive values. It is such a refreshing change from all the fairies, witches & monsters that seem to be the norm today. A bit wordy though for the little ones, I have to cut it down a bit when reading to my 4 year old

Great book for teaching Christian values.

Such a cute book! I purchased this for my 3 year old and he loves it. Great message about God and easy to understand. I love all things Berenstain anyway, so I knew I wanted this book for my son. Great read and overall would buy again as a gift for a child in my son's same age group.

Love all this books. Really teaches you about God's love.

Nicely illustrated my kids really enjoyed this story.

The book is great for teaching children how they should act and be. With all the negative media and news, this book is a great tool to teach right and wrong.

Bought this for a prison ministry program where inmates read the story and it is recorded to give to their child. I thought this would be a good story.

My grandchildren and I love this bear family. I have bought them for years since my children, now parents, were small.
