Dom's Guide To BDSM Vol. 1: 49 Must-Know Tips On How To Be The Perfect Dom/Master Your Submissive Will Truly Respect & Admire (Guide To Healthy BDSM) (Volume 1)

Synopsis

Much of what we've heard about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss:

• How to think and act like a Dom
• What the slave expects from you
• What not to do and what instincts you do NOT want to follow
• Your motivation and your goals
• How to find out a sub's taboo
• How to negotiate, find agreement and ensure that game play is always safe
• How to make a slave yearn for you and desire to be controlled by you
• And much more...

Customer Reviews

Good starter tool which will help to form a solid foundation in becoming a well trained and respected Dom going forward

I've given this a 4 star as it's very informative about the lifestyle, history, and roles. I did catch a few grammatical errors, though, they do not take away from the information being shared.

Very good introduction and explanation of BDSM and the Dom side of things. Very helpful for new ones and a good reminder for more veteran ones.

Good info for beginners just getting started in to BDSM lifestyle or for those wanting to experiment. Have some fun.

A great intro to the lifestyle and great basic knowledge. I hope to learn more and continue to grow in my knowledge

I really enjoyed this book. It was very eye opening and informative. Will definitely continue reading the volumes. Really enjoyed it

Good read. Very helpful. The author did a nice job explaining how to play the role of a good Dom. The book is applicable to both male & female Doms.

Opened my eyes and really helped me understand what is expected of me as a dominant. Very helpful and motivating
