Customer Reviews

Volinski's designs begin as beautiful artwork and are just waiting for us to add our own personal touch to bring them to life. I highly recommend these adult coloring books. --Bergers Book Reviews

An experienced book illustrator and designer, Jess Volinski currently creates illustrations and surface designs for the publishing, fashion, tableware, and stationery industries. Her characteristically vibrant designs are ideal for coloring books. Jess is married to Erik DePrince, the

artist behind Design Original's Manga to the Max coloring book series. Jess and Erik live in New Jersey and are the parents of two pre-teen children.

I really like this book alot. It is a colorful positive book and I have already done 4 pictures in it. I do love to color pictures and with the nice sayings on some of the pages I would be tempted to frame and give away as presents.

I am a avid coloring enthusiast. I purchase many of Jess Volinski books. I am attaching some finished coloring from this book. They are great for just a relaxing stress free color. They are also great for kids 8 and up.

Wonderful and upbeat. Positive suitable for framing

love the pictures and words.

ok, not as nice as I expected

good therapy

This is the best one yet. A lot of pages to color and I love all the pages. Most of the ones I buy it only like half and this one I like them all.

Just received book. Looks great and can't wait to start coloring!
