Good source

Very helpful

Must have for Boyd's Collectors and a great price too. Everything Plush is listed here.

Love it

My mother in law recently passed away and she was also an avid Boyd's Bear collector....she had hundred's of Boyds....both the plush and resin....again another invaluable reference guide for those (like me) who have no idea about Boyd's.....they are so darn cute!

My wife is really happy with this book as a Christmas gift.

Great

This is a very invaluable resource guide to Boyds Bears...it is done in an exceptionally easy to use format, with lots of good pictures to make sure of your bears' identity, complete with a good sense of humor
