Customer Reviews

Crochet for beginner's- the complete guide. If you are looking for a new hobby that not only will pass your time by, but will actually add great health benefits to your life then choose crochet. It turns out that crochet is way easier than I had imagined and I have already made my first project. I learn how to make hat out of crochet but never know the name of the techniques. This book helps me sort out the techniques. Overall I like the examples, they were very colorful. The color examples make it easy to understand. This is very good beginner's book for crochet.

This Book is one of the best practicing guide to learn crochet . I love the crochet work and I learn them . This book include some new designs .It is one of the best guide for beginners ,you have not

to worry if crocheting is new to you , with these clear and easy step's it'll be easy to crochet right away .Every step is provided for you clearly and directly. There's always something that you can do with little yarn and some time on your hands .Il the patterns and tips are perfect for your startup in crocheting. I highly recommend this book.

Easy to read and understand the concepts and stitches of learning to crochet.

I really enjoyed this book. Lots of interesting information and ideas. I would recommend this book to anyone learning or even already knowing how to crochet.

Nice easy to understand illustrations. Some nice easy stitches to start, but the look like you are an expert. Recommended.

Very comprehensive. The instructions and illustrations are very detailed and straight forward. With a little practice I am learning quickly. I am pleased at the diversity of projects and varying levels of skill. I feel like I can grow with it. The many patterns will be the foundation of what I'm hoping to become a life long hobby!

Great instruction and patterns

Helped to learn more about crocheting.
