What readers are saying about The Shivering Sands "The feel of this story was similar to that of Rebecca-the sort of dark, shivery, mysterious feeling. The end was WAY better in my opinion, though. Definitely a good read!" "This is a five-star historical, romance, mystery, psychological thriller." "The most suspenseful book ever, and many years later, after having read countless Holt books, I can safely say that this is her best work."

Customer Reviews

it is a good book. I like Victoria Holt's books

It had everything from suspense, mystery, love and kept you guessing. Hard to put down. I read this year's ago when I was a teenager but I enjoyed it more now.

Victoria Holt always delivers a well written story developing the characters and plot that leaves the reader wanting to know who the guilty one is. A good read for anyone who enjoys gothic romance.

I have read everything Victoria Holt has written again and again. Even though the books are not new, they are timeless and still remain entertaining and fresh.

Another read to the end and can not wait to get back to the book. Holt was one great author, writer of adventure of women in a world past in time.

Victoria Holt is a master at carefully, intricately defining the mysterious web. In Shivering Sands she does it again. It's another C.P.D. - "Can't Put Down." My only criticism is not enough magnetism between the heroine and the reluctant hero. Still, I enjoyed this good read. I'll be back for more quintessential Holt.

An excellent read. Holt is magnificent as always. Highly recommend this author. She never fails to intrigue and confuse the readers until the end.

3rd time I've read this book, and still find it intriguing despite knowing the outcome. Ms Holt's power to describe her scenes with so much intensity and emotion makes the reader feel like a fly on the wall witnessing the drama while experiencing the heroines emotions and sympathies. Brilliant authoress and exciting story!
