Wow, I'm an advanced violinist, and this book has all of my favorite Christmas songs I can easily

fashion into a jolly concert for my family and friends! The music is great, along with a great quality material book. I absolutely love it, and I'm still playing it even after Christmas and New Year's!

The sheet music is clear and easy to follow. As a beginner violinist this book is wonderful, challenging but well within my range. I highly recommend to someone who is still in the early stages, but the music is good enough that I think I'll also use it when I get better. Worth every penny.

This is a great book. My second school year violin student is able to do many of these on her own. She likes the variety of songs and it's a nice book, good and sturdy for a soft cover.

I am a beginner on the violin and spend a lot of time now looking for music that I can play. This is a great book of Christmas music for the money. It is easy to read and has such a wide range of songs to choose from. Can you imagine a Christmas music book that has everything from "The Chipmunk Song" to "Oh Holy Night"? This was money well spent!

As a "beginner" violinist, after having put my violin away for 38 years, this is the perfect book to bring smiles to any Christmas lovers face!

I purchased this book because I know that the music is excellent. I also have this book for the flute. I am learning to play the violin. I thought that it was important to have a nice, solo, violin book. There are so many songs to choose from. You'll have hours and hours of enjoyment. I'll use this book as an incentive to practice. I want to play beautiful Christmas songs on my violin. I loved the music on my flute. Happy Holidays!

So many tunes! Great for caroling and playing for family at holiday!

The variety is good, and my granddaughter is enjoying it. Also, the quality is good, and the sale went smoothly. Thanks!
