MVP #4: The Basketball Blowout (Most Valuable Players)

Synopsis

From the author of the Ballpark Mysteries comes the coolest sports club around—the Most Valuable Players! The MVP club needs to raise money for their basketball tournament. At first, they think selling popcorn will be easy . . . but then Luke eats more popcorn than he sells! Plus there's a new kid at school who might need the money even more than the team does. Can the MVP kids raise enough money, win the tournament, and help their friend? Perfect for kids who love to compete in all kinds of contests and have fun with great friends, David A. Kelly's series teaches readers that when you're a most valuable player, you love sports, always show spirit, and never give up! Don't miss bonus sports facts in every MVP book.

My grandchildren loved all the MVP books

this is a fantastic book. it teaches teamwork, getting together to support a common goal and helping those in need without being asked to do so. And it's about basketball. Loved this book.
