International Politics: Enduring Concepts And Contemporary Issues (13th Edition)

Synopsis

For courses in International Relations. \hat{A} Understanding International Politics with Scholarly Articles International Politics: Enduring Concepts and Contemporary Issues has been helping readers effectively understand politics under governments and beyond for over 40 years. Scholarly articles on essential topics illustrate fundamental debates and differing points of view for a comprehensive and engaging overview of the discipline, while introducing readers to the major forces shaping the world today. \hat{A} \hat{A} The Thirteenth Edition still employs the bookâ™s cornerstone approach of teaching international politics through relevant scholarship that illustrates its theoretical concepts. This edition, however, contains 27% new material spread across each of the bookâ™s four parts. Organizational changes and new information have been added throughout to expand the readerâ™s introduction to this broad and ever changing field. \hat{A} Also available \hat{A} with MyPoliSciLab \hat{R} MyPoliSciLab for the International Relations course extends learning online to engage readers and improve results. Media resources with assignments bring concepts to life, and offer readers opportunities to practice applying what theyâ™ve learned. Please note: this version of MyPoliSciLab does not include an eText. \hat{A} Note: You are purchasing a standalone product; MyLab $\hat{,}$ c & Mastering $\hat{,}$ c does not come packaged with this content. Students, if interested in purchasing this title with MyLab & Mastering, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. \hat{A} If you would like to purchase both the physical text and MyLab & Mastering, search for: \hat{A} 0134517938 / 9780134517933 \hat{A} International Politics: Enduring Concepts and Contemporary Issues Plus MyPoliSciLab for International Relations \hat{A} \hat{A} Access Card Package, 13/e \hat{A} Package consists of: 0134482018 / 9780134482019 \hat{A} \hat{A} International Politics: Enduring Concepts and Contemporary Issues, 13/e 0134408233 / 9780134408231 \hat{A} MyPoliSciLab for International Relations Access Card International Politics: Enduring Concepts and Contemporary Issues, Thirteenth Edition is also available via REVEL $\hat{,}$ c, an interactive learning environment that enables students to read, practice, and study in one continuous experience.

Customer Reviews

Robert J. Art is Christian A. Herter Professor of International Relations at Brandeis University, Research Associate at Harvard University's Olin Institute of Strategic Studies, Senior Fellow in M.I.T.'s Security Studies Program, and Director of M.I.T.'s Seminar XXI Program. In 2006, he was recognized with the Distinguished Scholar Award by the International Studies Association. Robert Jervis is Adlai E. Stevenson Professor of International Affairs at Columbia University; he is a former President of the American Political Science Association.

Arrived as suggested, gave to classmate he said it was a very nice copy. Was well received. Thank goodness for everything.

I am using this book for my Introductory international relations class. Art and Jervis choose excellent articles that counter each other so you are able to form your own opinion based on various scholars. Though it is not comprehensive, the text is essential to learnings in International relations

Good primer

Great quality and clear printing but...The price is ridiculous for just renting it for a semester. Not worth it.

I order this copy of the book and was given a later version that was not easy to follow for my course.

very interesting, but not a light read. I'd suggest taking notes in the margins, highlighting and looking up the references. and don't forget the caffeine some of the included essays can get a bit dry

A great book that can open your eyes to politics. From knowing very little about the topic, I can proudly say that I learned a lot having now read this book.

Good sampling of international relations material in a well organized fashion. It's a great introduction to the field. The only disappointing part is not having the full texts of some of the samplings, as many of them are so interesting! That's what a library's for...
