# Haiti And The Uses Of America: Post-U.S. Occupation Promises

## Synopsis

Contrary to popular notions, Haiti-U.S. relations have not only been about Haitian resistance to U.S. domination. In *Haiti and the Uses of America*, Chantalle F. Verna makes evident that there have been key moments of cooperation that contributed to nation-building in both countries. In the years following the U.S. occupation of Haiti (1915-1934), Haitian politicians and professionals with a cosmopolitan outlook shaped a new era in Haiti-U.S. diplomacy. Their efforts, Verna shows, helped favorable ideas about the United States, once held by a small segment of Haitian society, circulate more widely. In this way, Haitians contributed to and capitalized upon the spread of internationalism in the Americas and the larger world.

## Book Information

Paperback: 252 pages

Publisher: Rutgers University Press (June 19, 2017)

Language: English

ISBN-10: 0813585163

ISBN-13: 978-0813585161

Product Dimensions: 5.5 x 0.6 x 8.4 inches

Shipping Weight: 10.7 ounces (View shipping rates and policies)

## Customer Reviews

"Tracing Haitian post-occupation engagement with the United States, Verna rejects a narrow binary interpretation and convincingly demonstrates the importance of a thoroughly informed, nuanced lens in any analysis of Haiti's U.S. relations." (Robert Maguire Elliott School of International Affairs, George Washington University) "This groundbreaking, deeply researched, and richly rewarding study illuminates how Haitians were key agents of inter-American connection and collaboration during the mid-twentieth century. Chantalle F. Verna rethinks Haiti's relation to the United States at that time by asking complex questions and reaching nuanced insights that seem just as relevant and important with reference to today." (Kate Ramsey author of *The Spirits*)

and the Law: Vodou and Power in Haiti)

CHANTALLE F. VERNA is an associate professor of history and international relations at Florida International University in Miami. She is a coeditor of the forthcoming book, *The Haiti Reader: History, Culture, and Politics*. ã Æ
