Overlord, Vol. 4 (light Novel): The Lizardman Heroes

Synopsis

One day, in a peaceful lizardman village, an ominous messenger visits with a warning from the Great Tomb of Nazarick: In eight days' time, they will be annihilated. Unwilling to stand by and wait, the fighter and traveler Zaryusu journeys to the other lizardman tribes--who have received the same message--hoping to form an alliance against their impossibly strong opponent. But though the warriors try valiantly to resist, Ainz Ooal Gown and his undead army hold the power to determine their fate...

Probably the darkest volume yet can't wait for the next one

As a fan of the series I enjoyed the book. Just had to give it a chance. Well till next time

I love this series so much I read the web translation till book 10 when they cut it off I just can't wait to get to book 10 and beyond can't come fast enough

Very pleased to have gotten my hands on one already. I just can't get enough of this series.

Amazing depiction of struggle against impossible odds love the depth of characters for the Lizardman

Read a number of the "light novel" type. This series has managed to keep my interest. Hope to see the next issue soon.

The Lizard men are interesting, and its always nice to see Aniz be awesome from another perspective. Also while it's cocytus's time to shine. If you've been into it you don't want to miss anything.

A bit of an odd segway for the series. But with exelent worldbuilding the author largely makes it work. It is un comon to see both sides of a battle portrayed heroically, especially in fantasy which really makes this a unique read.
