## Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Song selection is great, but I would only consider a third of songs "easy"--some keys are tortuous for me, an intermediate beginner (compared to the Easy Fake Book series books I already own/play)

Dissapointed - I have several others in this series and this one was mostly songs from other books in same series.

I love the Easy Fake Book series. I own about eight of them. I wish they weren't all in the key of C, but the large print is great for those of us who can't see the tiny notes in regular fake books anymore, and all in the same key makes it very easy to morph from one song to another and include songs by ear.

Super responsive company!!!Love the book, it has an awesome collection of songs from so many movies.Recommend this book for anyone interested in songs from movies!!

Great and easy to read lead sheets

Maybe a little bit too simplistic when it comes to the cords, but very helpful indeed. Nice selections of songs as well. Will keep you busy for quite a while.

VERY GOOD SELECTION OF SONGS, OVERALL WELL DONERON, LAS VEGAS
