Caribbean Primary Agriculture - Workbook 1 New Edition (Bk.1)

Synopsis

Primary Agriculture is an integral part of the school curriculum in most countries of the Caribbean. This revised edition of the Caribbean Primary Agriculture series provide technological updating of the various units and topics, which are comprehensively sequences and graded to suit the various age groups and class levels of the primary school. An awareness of ecology, safety and the economic framework is an important part of the new material, which includes newly drawn pictures, both black and white and full colour.
