Lung Cancer Study Guide

Synopsis

Just the facts are included in this book. Written by a board certified medical oncologist, this is the perfect text if you are looking for a quick review of the information you need to know about lung cancer. We won't waste your time with this rapid access information. The Lung Cancer Study Guide has distilled the key details down to the concise facts that you will understand and remember. Do you understand when EGFR testing? When do you use crizotinib? Who gets pemetrexed? The Flash-Med Lung Cancer Study Guide will present this information and the other key details about lung cancer in a way that you will find useful for patient care, clinical rotations, and board review.
