CliffsComplete Julius Caesar

Synopsis

In the CliffsComplete guides, the novel's complete text and a glossary appear side-by-side with coordinating numbered lines to help you understand unusual words and phrasing. You'll also find all the commentary and resources of a standard CliffsNotes for Literature. CliffsComplete Julius Caesar offers insight and information into a work that's rich both dramatically and thematically. Every generation since Shakespeare's time has been able to identify with some political aspect of the play. Discover what happens to Rome's highly ambitious leader and to those who conspire to remove him from the ranks — and save valuable studying time — all at once. Enhance your reading of Julius Caesar with these additional features: A summary and insightful commentary for each chapter Bibliography and historical background on the author, William Shakespeare A look at Early Modern England intellectual, religious, political, and social context Coverage of Shakespeare's source and the play's performance history A character map that graphically illustrates the relationships among the characters Review questions, a quiz, discussion guide, and activity ideas A Resource Center full of books, articles, films, and Web sites Streamline your literature study with all-in-one help from CliffsComplete guides!

Customer Reviews

Dramatizing the political battles in Rome during the height of the Pax Romanum, Shakespeare pits Caesar against an untold number of conspirators and lets the daggers fly. Antony comes in at the

end to clean up the mess and carry on the rule of the Caesars. The Cliffs Complete Julius Caesar is a revised and expanded study edition. It contains Shakespeare's original play, a glossary, and expert commentary in a unique, 2-column format. To enhance your learning, notes and definitions appear directly opposite the line in which they occur, and a review section follows the play. This edition also introduces you to the life, works, and times of William Shakespeare.

William Shakespeare (1564-1616) wrote 37 plays. King Lear and Macbeth are widely considered his finest and most popular. They are, perhaps, the most frequently produced works on the planet.

I purchased this for my homeschooling 10th grader to read along with our Copy of Julius Caesar was very pleased with it. It is a lot thicker than I expected. Covers most everything and is a very good study help for the novel. I would recommend.

I didn't want to read the play in its entirety before seeing a performance, so I got the Cliffs Notes instead. It brought me up to speed.

Fantastic resource

I really enjoyed reading this edition of the play. Each scene is preceded by a summary of the scene and followed by commentary on the scene, and there are notes alongside the text explaining unusual words/phrases. As an actor, I have been reading Shakespeare for quite awhile, and I still found this book very helpful. If you are new to reading Shakespeare, I particularly recommend this because you will find it very helpful.

great

just what she needed for class

Very interesting book. My grandson used it in his English class.

Diana Sweeney is a teacher. She not only teaches Shakespeare, she teaches Shakespeare to students who have limited English skills. She also produces the works of Shakespeare with her students (including, can you believe it, a production of Titus?). I urge my students to use Cliff Notes

because they too are limited in English. This new version of Julius Caesar is so readable. Sweeney writes with the student in mind at all times and this fact shows. What a valuable tool this work is!!
