Michelin Green Guide: Chateaux Of The Loire

Synopsis

The long-standing Michelin Travel Guides are an ideal travel companion for travelers who really want to connect with the world. Get to know the local way of life through detailed background information on the country, people, and culture. Quickly identify the best places to visit using Michelin's star rating system. The best sites are highlighted on the sites map or you can follow a pre-planned driving tour. With the Michelin Travel Guide to Chateaux of the Loire, explore larger-than-life, dream-like palaces and magnificent gardens edge the Loire River just southwest of Paris with names like Chambord, Cheverny, Chenonceau and Villandry. Come see them just to be amazed, but don't overlook the historic city of Tours, Le Mans's motor racing circuits and Joan of Arc's OrlÃ©ans. Publisher: Michelin Travel Publications (January 31, 2008)

Language: English

ISBN-10: 1906261253

ISBN-13: 978-1906261252

Product Dimensions: 8.8 x 4.7 x 0.5 inches

Shipping Weight: 11.2 ounces

Average Customer Review: 4.4 out of 5 stars 4 customer reviews

Best Sellers Rank: #2,983,517 in Books (See Top 100 in Books) #72 in [Books > Travel > Europe > France > Loire](#) #3723 in [Books > Travel > Europe > France > General](#) #4273 in [Books > Travel > Europe > General](#)

Customer Reviews

I bought this book for a trip to France. This book gave a very good description of the castles, and gave sometimes more explanation than the guide at the castle would. It was very useful to read it before visiting a castle so that we had a good idea of what to expect. Like every Michelin travel guide, this book was very good!

The reviews of the chateaux and the Loire valley are very, very good. The descriptions and photos provide a very nice, concise description. There are suggested day trips and, at least the day trip I took, worked well. But I was a bit disappointed that this guide has little information regarding restaurants and other attractions in the Loire valley. I know, I know ... the title says that it is a book regarding the chateaux. But given Michelin's reputation for restaurant reviews and other travel information, I expected more reviews of restaurants that were nearby the chateaux.

Because France does not change that much, Michelin Green Guides do not change either. They still keep this handy pocket format that all other publishers copied. They still are very shy with pictures. They don't tell you everything you would expect from a French guide-book. Still, they tell you what is most important. You cannot make any mistake if you follow their advice. So bring this guide-book with you ... and buy the Eyewitness guide to get a more detailed view of our nice region.

Excellent comprehensive guide to the region. I've been there four times and discovered many new places in this book.
