# A New Way Of Thinking, A New Way Of Being: Experiencing The Tao Te Ching

## **Synopsis**

This beautiful book offers you an opportunity to internalize and directly experience the great wisdom of the Tao Te Ching, a collection of 81 verses authored by Chinese prophet Lao-tzu 25 centuries ago. The words Tao Te Ching translate to “living and applying the Great Way.” The Tao is considered by many scholars to be the wisest book ever written, and it encourages you to change your life by literally changing the way you think. Within these pages, Dr. Wayne W. Dyer has broken down the verses into bite-size pieces so that you can slowly absorb these powerful thoughts and imprint them into your consciousness. Working with one concept at a time, you will come to know the truth behind the ancient Tao observation: When you change the way you look at things, the things you look at change.

## **Customer Reviews**

Wayne Dyer's connection to the Tao and his guiding wisdom in connecting us to it is such a gift. Highly recommend!

AMAZING take on a Timeless Classic as only Wayne Dyer could have done it. LOVE his interpretation! (& miss him) Highly Recommended!

Love all of his books not one that I have not liked so far and so true what he says that is why I have purchased several of his books. It does help you look at life in a different perspective and so down to earth where you understand what he is saying.

These teachings are simply a beautiful reminder of whom we already are. I felt so blessed to hear of my roots once again. blessings to all , near and far.

Beautifully made book...great to have out on the table for easy access...easy to digest tidbits for day to day reminders!

I get more and more out of it each and every time I read it. A must read for a better world.

Love Wayne. I've read metaphysical books for a very long time but I always learn something new from Wayne. Good book.

Wayne Dyer's words of wisdom are always inspiring and wonderful ! ! !
