Customer Reviews

Beautiful book, just like all of the others. Would strongly recommend for anyone who is in to poetry or wants to explore it.

I have been a huge fan of Lang Leav's books starting from *Love and Misadventures*. Her books have truly helped me heal through my pain and heartbreak.

Excited that this just came in the mail. I love lang leav and buying her book for a cheap price is a winner for me. I giving it a 4 star because the corners are a bit damage and as well a black mark on the pages. I like my books being in good condition. Overall very cheap for its original price. Totally recommend
