Business Communication Today (14th Edition)

Synopsis

For courses in Business Communication. **Technology and communication intersect to prepare you for the business world** *Business Communication Today* continually demonstrates the inherent connection between recent technological developments and modern business practices. Each new edition addresses the most essential changes in technology and how they impact the business world, while still covering timeless business skills such as listening, presenting, and writing. **With a strong focus on mobile integration, the 14th Edition blends current topics, such as social media in business, with more traditional entrepreneurial concepts.** The text is flexible and suitable for all readers, instilling crucial business skills needed to thrive in an office environment. With a clear, fluid chapter organization, *Business Communication Today* introduces, develops, and reviews major concepts to maximize understanding. **Also available with MyLab Business Communication** MyLab[®] Business Communication is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. **Note:** You are purchasing a standalone product; MyLab[®] Business Communication[®] does not come packaged with this content. Customer Reviews

Courtland L. Bovée and John V. Thill have been leading textbook authors for more than two decades, introducing millions of students to the fields of business and business communication. Their award-winning texts are distinguished by proven pedagogical features, extensive selections of contemporary case studies, hundreds of real-life examples, engaging writing, thorough research, and the unique integration of print and electronic resources. Each new edition reflects the authors'™ commitment to continuous refinement and improvement, particularly in terms of modeling the latest practices in business and the use of technology. Professor Bovée has 22 years of teaching experience at Grossmont College in San Diego, where he has received teaching honors and was accorded that institution's C. Allen Paul Distinguished Chair. Mr. Thill is a prominent communications consultant who has worked with organizations ranging from Fortune 500 multinationals to entrepreneurial start-ups. He formerly held positions with Pacific Bell and Texaco. Courtland Bovée and John Thill were recently awarded proclamations from the governor of Massachusetts for their lifelong contributions to education and for their commitment to the summer youth baseball program that is sponsored by the Boston Red Sox.
