## Customer Reviews

Ernest Montgomery (b. 1972) originally comes from the Midwest. âœlâ™m still a Milwaukee boy at heart,â• he says. The professionally trained photographer holds a Master of Fine Arts from NYU.

Just as in his other photographic essay *DOMINICANOS*, photographer Ernest Montgomery focuses his camera lens on the physical culture of the men of the Dominican Republic. As the Forward by Terrance Dean states, âœHermosoâ• is a Spanish word meaning handsome, beautiful. It is an aesthetic one embodies and possesses naturally. For Dominican men, it is innate, part of their DNA. In this new project, *Hermoso*, Ernest Montgomery captures Dominican men in intimate and seductive scenes throughout Santo Domingo, Bonao, Barahona, Las Terrenas, Moca, Haina, San Cristobal, and San Juan de Maguana. These rural communities are filled with hard-working men, laborers, barbers, taxi drivers, sports players, and small businessmen who are fathers, uncles, and brothers looking to provide for their families and their communities. They are determined men who dream and dream big. They want what every man wants for himself: a house,

economic mobility, and a loving family. So they work diligently to make their dream a reality. And though they work hard, they play and love even harder.'The results- a photomontage of sculpted physiques and intimate glimpses into the habits and lives and activities of these Dominican men. The images are natural and un-posed Â¢Â“ they feel like quick glances at scenery too beautiful to pass by, and that is what Ernest offers us Â¢Â“ the best images of Dominican men in all their natural glory. Grady Harp, March 17

Excellent Book! Highly recommended to anyone who loves the Dominican Republic...or any of the Latin Countries. I can hardly wait for his next book! Thank you Ernest!
