

The book was found

Papua New Guinea ; Living And Travelling

Synopsis

An insider's look into practical living and rich travel experiences within Papua New Guinea from an adventurous woman's point of view after ten years working there from 2004-2013. Not a Lonely Planet style book, nevertheless it provides useful tips on basic living matters, places to stay, wonderful things to do and see, and interesting contacts. Many of these illustrated chapters are my articles published in Paradise, Air Niugini's in-flight magazine, reproduced with their kind permission.
