The Boston Dictionary

Synopsis

Bostonians, like Texans, Georgians, and the British, have their own version of the English language: this is its Rosetta Stone. Natives can brush up on their dialect, and travelers or newcomers to the "Hub of the Universe" can learn how to communicate with the indigenous folk. The Boston Dictionary is now widely considered a classic book of Bostonian Humor, a best-seller wherever books or gifts are sold in Boston.

Hysterical!..written with the sound of Boston.phonetically.(translation into the rest of English language also.) At first the spelling threw me, for just one second...when I started reading it all the

words/sounds made sense...to a suburban Boston girl., that loves our wicked city! Keeping one on my coffee table and giving it to family members living outside of New England to make sure they keep their accents sharp. Subjects of the sentences kill me. Actors should read it...soo many actors. are off with this accent.

FUNNY!! As a Bostonian I got to walk down memory lane - no one talks like a Bostonian. Made me homesick! In a good way. Thanks!

Great gift for that friend that tries repeatedly but keeps failing to mimic the Boston accent. We had a lot of laughs reading it.

Love them they're wicked pissa

Being a Bostonian this is so right on(wicked awesome).friends have been known to give up trying to read some of the words,stating it is just to hard.

This is hilarious. Bought it for my boyfriend who is from VA and he can finally understand what my Bostonian Grandparents are saying.

Bought this as a gift for friends moving to Boston.We all got a good laugh from it!

I am a bostonian. This book kept me laughing. I bought for my son and daughter in law so they could better understand our language!!!
